TCM-RoboRumble

Welcome to our official project repository for Robo Rumble 2026. This repository contains all of our engineering documentation, remote control configurations, and hardware logs.

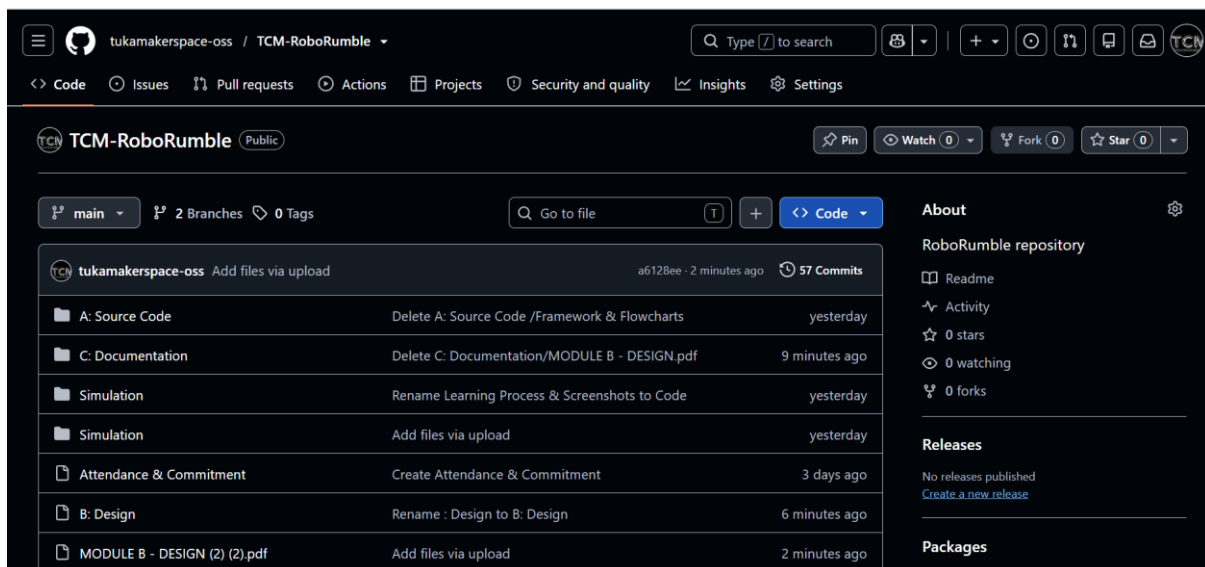

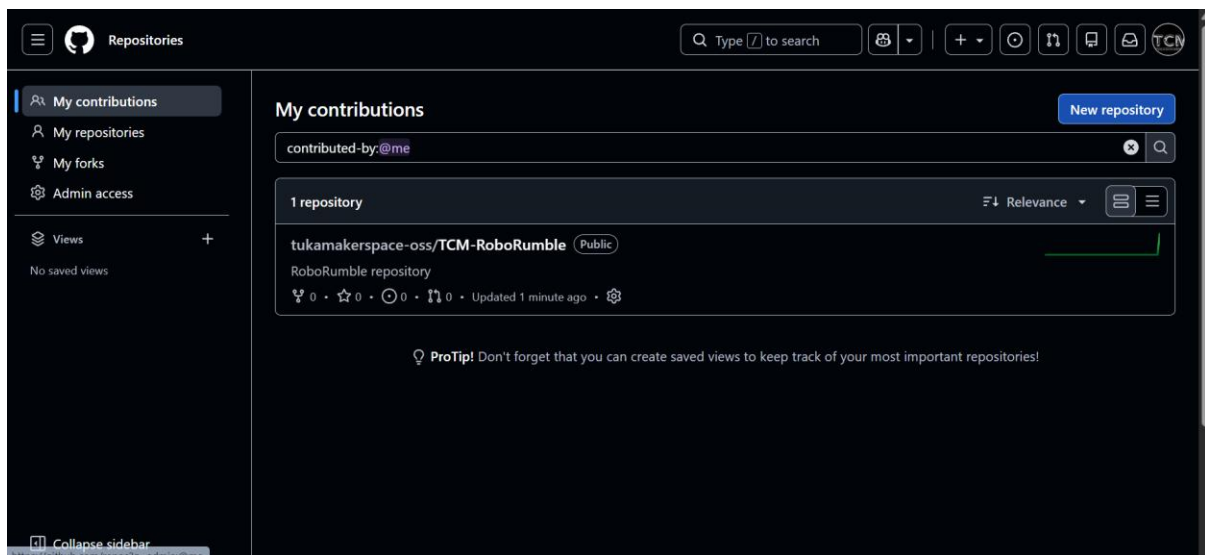

> DOCUMENTATION BACKUP LINK: If you experience issues viewing PDFs directly within GitHub, please use our [Google Drive Backup Folder] (<https://drive.google.com/drive/folders/1c2-exxj9Pt76pOI03CRU6LvBH6TcGoYR?usp=sharing>) to access all full-resolution project files cleanly.

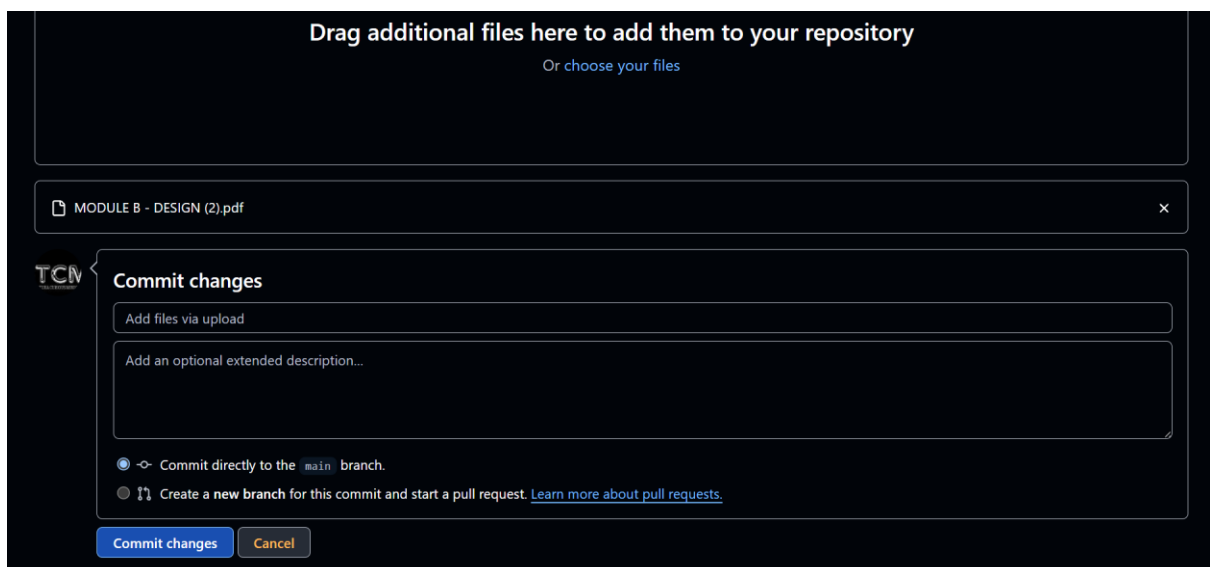

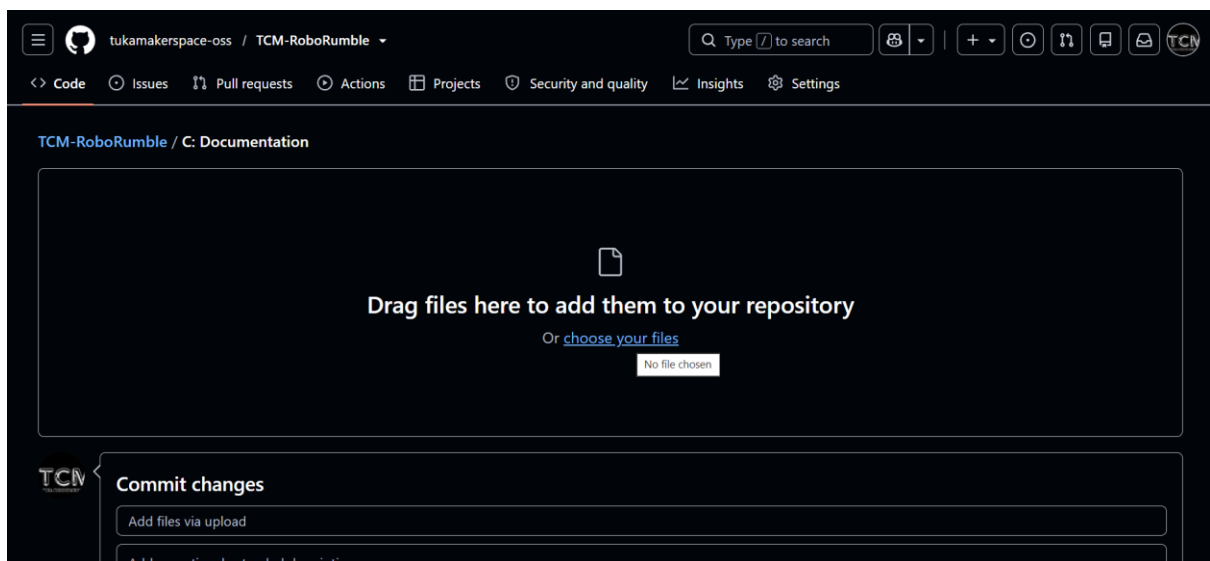

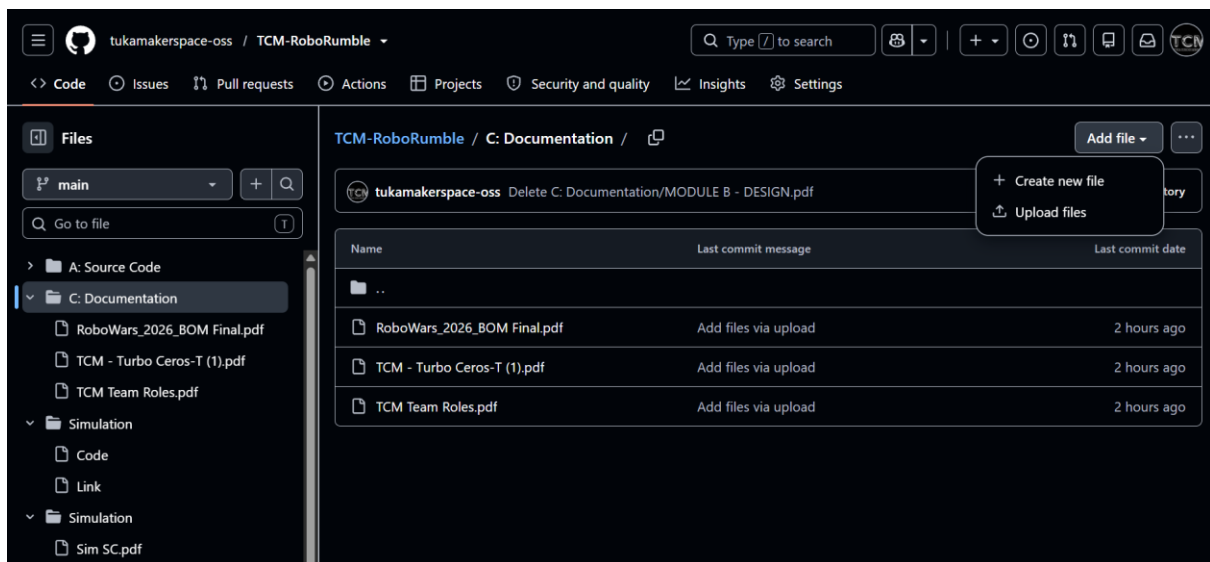

Our Team

* Team Name: Tuka Curious Minds

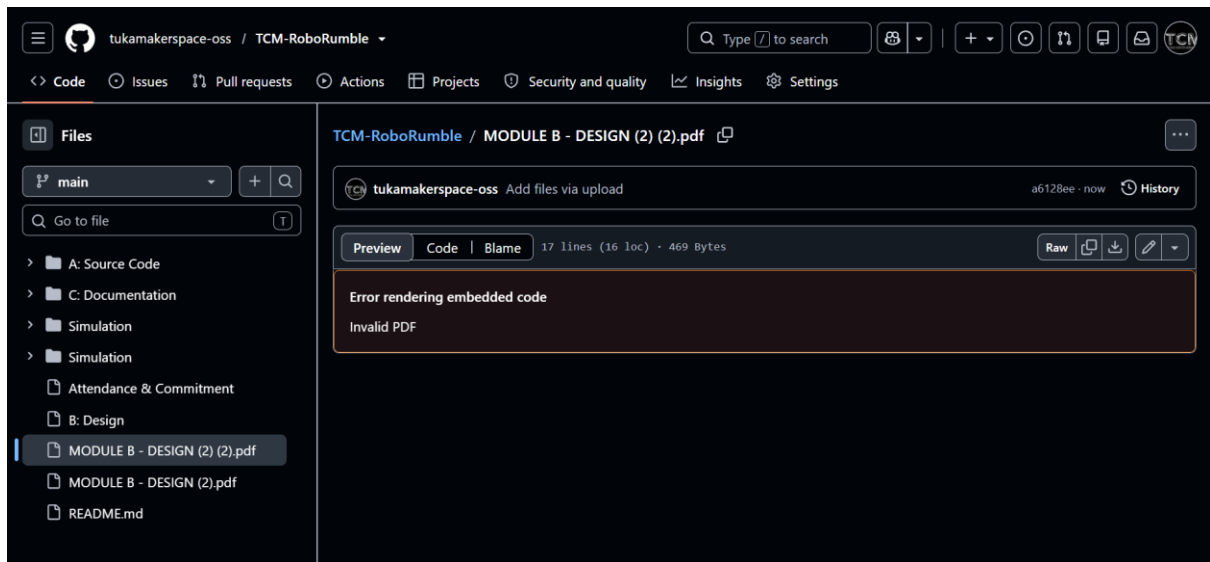

* Category: Robo Wars

* Institution: Community STEM Club under Engage and Empower NPC

We uploaded pdf files and committed changes

However, file couldn't be accessed even when selecting download
