## Naming Tip

Keep filenames simple and clear, e.g.:

- Wiring\_Diagram\_v1.pdf
- Flowchart\_MainLogic.png
- BOM\_Ebot.xlsx
- Pitch\_Deck\_Final.pdf
- FQA\_Logbook.pdf

Avoid generic names like IMG001.jpg or Document1.docx.

## Critical Reminders (Do Not Skip)

- ⚠ **E-Stop must be clearly drawn and annotated** — this alone can zero out points or disqualify the team.
- ⚠ **Code must match the category** — no generic/copy-paste logic.
- ⚠ **BOM total cost must be in RED text** in the Excel file.
- ⚠ **Pitch Deck is capped at 7 slides.**
- ⚠ **Team Slide with photos + roles is mandatory** in the pitch deck.
